

### Equivalence for First year old syllabus to new syllabus

As per meeting conducted on 29/06/2024 equivalence for first year old syllabus to new syllabus is given as follows:

#### Semester –I

Old Syllabus 20-21	Equivalence as per NEP 2023-24
Engineering Physics / Engineering Chemistry	Engineering Physics / Engineering Chemistry
Engineering Mathematics-I	Engineering Mathematics-I
Basics of Civil and Mechanical Engineering	Basics of Civil and Mechanical Engineering
Engineering Mechanics	Engineering Mechanics
Universal Human Values	No equivalence

#### Semester –II

Old Syllabus 20-21	Equivalence as per NEP 2023-24
Engineering Physics / Engineering Chemistry	Engineering Physics / Engineering Chemistry
Engineering Mathematics-II	Engineering Mathematics-II
Basics of Civil and Mechanical Engineering	Basics of Civil and Mechanical Engineering
Engineering Graphics and CAD	No equivalence

Students who need to complete the credits of Sports/Yoga and IKS they can complete the same along with Second year simultaneously. The results of the same should be conveyed to university by respective college.

**Note: For Sports/Yoga take assignments and for IKS take field visit report or assignment**
