B. A. I (Sem. – I & II)

Music

With effect from June – 2024-25

The Bachelor of Arts (B.A) in Music is a unique and dynamic program designed to provide students with a deep understanding of the fundamental principles of music, sound, rhythm along with the practical skills required to apply this knowledge in various performing arts. Aligned with the vision of the National Education Policy (NEP) 2020, the program offers a flexible, multidisciplinary, and learner-centric curriculum that encourages practical presentation, critical thinking, innovation, research and holistic development. The B.A. Music program spans four years, with each year offering a progressively advanced curriculum designed to build a strong foundation in music while allowing for specialization and interdisciplinary learning. The curriculum is structured around several key components:

- 1. Major Courses:** These core courses form the backbone of the program, providing in-depth knowledge and understanding of essential musical definitions, practical and theoretical knowledge of various Ragas and Talas, various Geetprakar contribution of Pt. V.D. Paluskar and Pt. V. N. Bhatkhande.
- 2. Minor Courses:** Students have the opportunity to choose minor courses from related or distinct disciplines, promoting an interdisciplinary approach to learning. This flexibility allows students to complement their musical education with insights from fields such as mathematics, physics, literature, dance, drama, painting, enhancing their versatility and broadening their career prospects.
- 3. Open Electives/General Electives:** The program encourages intellectual exploration beyond the core discipline by offering a wide range of elective courses. These electives enable students to pursue their interests in diverse subjects, fostering creativity, critical thinking, and a well-rounded educational experience.
- 4. Vocational and Skill Enhancement Courses:** Practical skills and theoretical proficiency are integral to the program, with vocational and skill enhancement courses providing hands-on experience in areas such as musical programs, teaching, composing, arranging, vocal and instrumental designs in classical, folk and light music. These courses are designed to prepare students for immediate employment and equip them with the tools necessary for career advancement in various music and Indian culture related fields.
- 5. Ability Enhancement Courses (AEC), Indian Knowledge System (IKS), and Value Education Courses (VEC):** In alignment with NEP 2020, the program integrates courses that emphasize the Indian Knowledge System, ethical values, and life skills. These courses foster a deep appreciation for India's rich cultural heritage, while also developing essential communication and ethical decision-making skills

that are vital for personal and professional growth.

6. **Field Projects/Internships/Apprenticeships/Community Engagement Projects/On-Job Training:** To bridge the gap between theoretical knowledge and real-world applications, the program includes opportunities for field projects, internships, apprenticeships, and community engagement. These experiences provide students with practical insights, problem-solving abilities, and exposure to professional environments, enhancing their readiness for careers in music and related fields.
7. **Research Methodology and Research Projects:** Research is a critical component of the B.A. music program, with students acquiring skills in research methodology, data collection, analysis, and musical notation, reference from various granth and books. By engaging in independent research projects, students are encouraged to develop innovative thinking to develop new musical instruments, musical rachana in various ragas and talas preparing them for advanced studies and research-oriented careers.

Multiple Entry and Multiple Exit Options

In accordance with the NEP 2020, the B.A. Music program incorporates a Multiple Entry and Multiple Exit framework, offering students the flexibility to enter or exit the program at various stages. This approach ensures that students can tailor their educational journey according to their personal and professional goals, with options to earn certificates, diplomas, or degrees based on the duration of study completed.

- **Year 1:**
Upon completion of the first year, students may exit with a **Certificate in Music.**
- **Year 2:**
After two years, students may choose to exit with a **Diploma in Music.**
- **Year 3:**
Completion of the third year qualifies students for a **B.A. Degree in Music.**
- **Year 4:**
The fourth year offers an advanced curriculum with a focus on research, allowing students to graduate with an **Honors Degree in Music.**

Eligibility for B.A. Music – For admission in to Bachelors Degree of Arts one should pass higher secondary school certificate examination ie. H.S.C. or 12 Arts, Commerce, Science or equivalent examination from a recognized board.
