| <b>Qualification</b>           | <b>University/ Board</b> | <b>Year of passing</b> |
|--------------------------------|--------------------------|------------------------|
| <b>M.Sc. (Applied Geology)</b> | Solapur University       | Mar/April 2010         |
| <b>B.Sc.(Geology)</b>          | Solapur University       | Mar/ April 2008        |
| <b>H.S.C.</b>                  | Pune Board               | Feb. 2005              |
| <b>S.S.C.</b>                  | Pune Board               | Mar. 2003              |

### ▪ **Specialization: - Applied Geology**

- **Summer Training Project title:** - “Sample preparation, geochemical analysis using ICP-MS and XRF analytical techniques, data generation, interpretation and report submission”.

**Organization** : National Geophysical Research Institute (NGRI), Hyderabad.

**Guided by** : Dr.V.Balram [Scientist G] & Dr.B.Dashram [Scientist B]

- **Dissertation Work:** - Qualitative Water analysis, Under Guidance of Dr.P. Prabhakar, Solapur University, Solapur.

- **Paper Published:** “QUEST FOR QUALITY “A case study of drinking water quality of central assembly constituency of Solapur, Maharashtra”, Journal of Indian Water Work Association-(Page-296-299, Oct-Dec.2012)

### ▪ **Computer Skills-**

- i) MS Office            ii) MS-CIT            iii) SQL            iv) JAVA Basics

- **Work Experience:**

- 1) Worked as a Junior Geologist in FUGRO Geotech. Pvt. Ltd. Navi Mumbai (2010-2011)
- 2) Worked as Asst.Prof. in SKN Sinhgad college of Engineering, Pandharpur (2011-2020)
- 3) Worked as QA Engineer (Software Tester) in Blazeclan Technoogies, Pune. (2021-2022)
- 4) Working as an Asst.Prof.at Punyashlok Ahilyadevi Holkar Solapur University, Solapur.

- **Responsibilities-At Fugro Geotech, Mumbai-( 2010-2011)**

- 1) Geotechnical Investigation for Mumbai Metro Rail Project, Mumbai.
- 2) Collection of soil sample, Rock sample, core analysis.
- 3) Oversight, coordination, and management of subcontractors.
- 4) Data compilation, tabulation, management and evaluation.

- **Other Experience at SKNSCOE-(2011-2020)**

- 1) Departmental ISE, Term work & POE coordinator.
- 2) Coordinator of Cultural Activities.
- 3) Member of NAAC at institute level
- 4) To arrange a study tour/ Industrial visit regarding Engineering Geology
- 5) Engineering Geology Subject In charge
- 6) Environmental studies subject in charge

- **Subject Taught at SKNSCOE-**

- 1)Engineering Geology- S.Y.B. Tech-CIVIL
- 2)Environmental Studies- S.Y.B. Tech –CIVIL
- 3) ICT for Development-S.Y.B. Tech –CIVIL
- 4) Basic Civil (Practical)-F.Y.B.Tech

- **Consultancy Work- (Feb-2020-May-2021)**

- 1) Ground Water Investigation and Exploration by using SSR\_MP\_ATS
- 2) Bed Rock Investigation
- 3) Bore well and open well Point Investigation.

- **As Software Tester (Sept-2021-Dec-2022)**

- 1)Understand SRS document and Analyse requirements.
- 2) Prepare and execute Test case from Use case.
- 3) Handling Customer Meetings and Logging Defects in JIRA tool.
- 4) Worked on Core banking and UTCL Auto Bill Generation projects.

- **Workshop/Seminar/FDP Attended at SKNSCOE-**
    - One-day faculty development program on GREEN BUILDING organised by Dept. of civil Engineering, SKNSCOE, Pandharpur held on 17 May 2017
    - One-day seminar on GEODETIC SURVEYING organised by Dept. of civil Engineering, SKNSCOE, Pandharpur on 26/9/2015
    - One-day faculty development program on Advanced Building Material and Construction Techniques in Civil Engineering organised by Dept. of civil Engineering, SKNSCOE, Pandharpur on 10 May 2014
    - One-day national workshop on DISASTER MANAGEMENT organised by Dept. of civil Engineering, SKNSCOE, Pandharpur on 25 December 2014
    - One-day national workshop on Research Methodology in Engineering & Technology organised by Dept. of civil Engineering, SKNSCOE, Pandharpur on 27 December 2014
    - One-day Seminar on Corrosion Prevention of Steel Structure organised by Dept. of civil Engineering, SKNSCOE, Pandharpur on 30/9/2013
    - One-day workshop on NBA on 9/6/2018 organised by SKNSCOE, Pandharpur.
-
